

NEWS RELEASE

Edge Copper Provides Board and Management Update

Vancouver, British Columbia – September 30, 2026 – Edge Copper Corporation (TSX: EDCU) (“Edge Copper” or the “Company”) is pleased to announce the appointment of Sarah Terrell as a director and Brent Arsenault as Chief Financial Officer (CFO) of the Company, each effective October 1, 2026. The appointment of Brent Arsenault follows the retirement of the Company’s current CFO, Patricia Fong.

Sarah Terrell, Director

Ms. Terrell brings more than 25 years of broad international experience in commodities, trading, complex international supply chains, business development, risk management and corporate governance. She is currently Senior Vice President, Trading and Global Head of Sulfuric Acid at Trammo, Inc., an international physical commodity trading company, where she leads the company's global sulfuric acid trading business and an international team of trading and logistics professionals.

Ms. Terrell has served as a director of Trammo, Inc. since 2021. Since 2017, she has also been a director of Trans Sud Ltda. Through Trans Sud, she has been involved in the governance of a joint venture in which Trammo is a partner, commercializing and distributing sulfuric acid across Chile and Peru, primarily for the copper mining industry.

Earlier in her career, Ms. Terrell held senior trading and commercial positions involving sulfuric acid, sulfur, fertilizer and copper raw materials at Keytrade AG, Sulphuric Acid Trading Company (Sumitomo) and Noranda Inc.

Ms. Terrell holds a Bachelor of Commerce in International Business from the University of British Columbia.

“We are very pleased to welcome Sarah to the Board of Edge Copper,” commented Gil Clausen, Edge Copper’s Chair and CEO. “Her broad experience across the global commodities and trading markets, particularly her deep knowledge of sulfuric acid and her work with the copper mining industry in the Americas, brings a valuable perspective to the Company as we continue to advance the Zonia Copper Project. Her expertise in international supply chains, commercial development and corporate governance will further strengthen the capabilities of our Board.”

Brent Arsenault, CFO

Mr. Arsenault has more than 18 years of finance and accounting experience, including senior finance roles with public and private companies, with strong experience in the mining sector. He has been serving as a Senior Finance Consultant to Edge Copper since 2025, supporting the CFO transition. Prior to joining Edge Copper, Mr. Arsenault held senior finance positions with companies including Brio Gold Inc. and Yamana Inc.

Mr. Arsenault is a CPA, CA and has a Bachelor of Accounting degree from Brock University.

"We would like to sincerely thank Patricia for her ten years at Edge Copper and for the important role she has played in the Company's growth and development," said Letitia Wong, Edge Copper's President. "Her commitment and contributions over the past decade have been greatly valued by the Board and management, and we wish her all the best in her retirement."

We are also pleased to appoint Brent as CFO. Having worked with Edge Copper since 2025 and supported the Company through the CFO transition, Brent brings a strong understanding of our business and a solid background in finance and mining. His appointment provides continuity as we continue to progress and grow the Company."

About Edge Copper Corporation

Edge Copper Corporation is a copper-focused exploration and development company advancing its 100%-owned Zonia Copper Project in Arizona. Zonia is a past-producing heap leach copper operation in Arizona's historic Walnut Grove mining district. Supported by existing infrastructure, a current Preliminary Economic Assessment, and multiple resource expansions, Zonia is a well-positioned U.S. copper development project. Edge Copper is focused on unlocking additional value through resource expansion, metallurgical optimization, and disciplined technical advancement to support the project's progression toward future development.
